

Your teacher will post all your learning on TEAMS (Tapestry for EYFS) for all curriculum areas but here are some other useful Websites offering remote learning support for all other areas of the curriculum:

- **Oak National Academy (DFE Offer)** has launched its online classroom and resource hub. The Academy offers 180 video lessons each week for schools to use, across a broad range of subjects. The lessons cover children in Reception through to Year 10 and are free to use by both teachers and young people.
